EDUCATION

University of Maryland, College Park, MD | B.S. Computer Science — Expected May 2030
University Honors, Honors College
Current coursework: MATH340, CMSC132, HNUH100, COMM107, HNUH228N
Advanced standing: 53 total UMD credits; MATH241 credit by exam - 4 credits, A equivalent
Prior UMD coursework: IMDM127 Creative Coding for Digital Media (Summer 2023, 4.0 GPA)

Walter Johnson High School, Bethesda, MD — Graduated 2026
GPA: 4.00 unweighted / 4.93 weighted
AP exams: U.S. Government & Politics (5), World History (5), English Language (5), Computer Science A (5), Calculus BC (5; AB subscore 5), Microeconomics (5), Macroeconomics (5), English Literature (5), Statistics (5), Physics C: Electricity & Magnetism (5), U.S. History (4), Computer Science Principles (4), Physics C: Mechanics (4)

EXPERIENCE

DEVCOM Army Research Laboratory (ARL) | *Programming Intern - Robotics* — Summer 2025
- Developed a Python/ROS 2 tool that synchronized land-robot data across online and offline periods, preserving continuity through network interruptions.
- Built a Dockerized MQTT-to-Telegraf/InfluxDB-to-Grafana pipeline to merge robot data streams and automatically generate research visualizations.

UP Robotics, Bethesda, MD | *Robotics Instructor & FLL Coach* — Jun 2024-Aug 2025
- Taught block-based and Python programming, robot design, and debugging in classes and summer camps for adolescent students.
- Coached several FIRST LEGO League teams in robot-game strategy, programming, design, and innovation projects.

Old Georgetown Club, Bethesda, MD | *Lifeguard* — Summers 2023-2026
- Monitored aquatic safety, enforced pool procedures, responded to emergencies, and maintained American Red Cross CPR certification.

Private Swim Instructor, Bethesda, MD | *Independent* — Summers 2025-2026
- Provided individualized swim instruction for varied ages and skill levels, adapting lessons to technique, confidence, and personal goals.

TECHNICAL SKILLS

Programming: Python, Java, JavaScript/JSX, HTML, CSS
Platforms & tools: ROS 2, Docker/Docker Compose, Git/GitLab, MQTT/Mosquitto, Telegraf, InfluxDB, Grafana, Microsoft Office
Creative media: Photo, graphic, and digital media editing

HONORS & ACTIVITIES

- DECA - ICDC international finalist (2025); ICDC qualifier (2026); 2nd place, Maryland SCDC Accessory & Apparel Marketing (2025).
- Competitive Swimming - Walter Johnson varsity swimmer; Potomac Valley Swimming Scholar Athlete (2023-2024); finalist at regional, state, East Coast, and elite showcase meets.

LANGUAGES

English (native); **Japanese** (fluent spoken); **Spanish** (Maryland Seal of Biliteracy)
